

YOUR GIFT WILL
KEEP ON GIVING

HAPPY HOLIDAYS!

Your gift will keep on giving

This gift means a donation has been made on your behalf to SAFE for Animals, New Zealand's leading animal rights charity.

The funds generated by this gift will help to give all animals in Aotearoa a voice, with SAFE's call for an independent Commissioner for Animals.

An independent Parliamentary Commissioner for Animals would undertake an extensive review of the current animal welfare systems, uphold the law written to protect animals and finally represent the voice of all animals in New Zealand.
